

2011 Capital Bicycle Club Saturday Social Rides

Welcome to the Social Ride Series! These rides are designed to give plenty of opportunities to chat with fellow cyclists, smell the roses, view the scenery and stop at bakeries or other points of interest. Riders should be capable of riding for 2-3 hours at the lowest pace noted for the ride. There may be more than one pace group on each ride, **but no one will be dropped**. Ride start time is 10 AM (unless otherwise noted) and most rides proceed even if it is lightly raining. Maps and cue sheets will be provided on each ride. Feel free to contact the ride leaders with questions ahead of time.

Never done these rides before? For your safety and that of the group, please follow these guidelines:

- **Helmets are required**; cycling shorts and gloves highly recommended
- Sign the ride waiver and participant roster
- Perform a brief safety check of your bike (brakes, tire inflation, etc) before beginning the ride
- Use appropriate hand/verbal signals to warn other riders of obstacles, turns, speed changes, etc.
- Make sure you have the means to fix a flat or an alternate way to get home
- Pass other riders on the left; make your presence known when you come up behind another rider
- In pace-lines or when riding in close proximity, ride in a straight line at a consistent speed
- Obey all traffic rules; do not obstruct traffic; likewise, yield to other riders as needed
- Bring enough water, food, money, etc. for the type of ride you are joining
- If you decide to leave the ride, or have problems or concerns, inform the ride leader

Due to the club's insurance policy, participants may ride once as a guest of the club. Return riders must be members in good standing of the CBC. Please ask ride leader for membership information or check the CBC website: www.capitalbicycleclub.org. Questions or comments, please call Sue Duffy, Ride Captain – (360) 918-8546
